## Team Alberta U18/U17 SUPERWEEKEND Selection Camp Football Alberta Combine

### CONGRATULATIONS!

On behalf of Board of Directors of Football Alberta, it is my pleasure to inform you that you have been nominated to attend the:

#### Team Alberta U18/U17 SUPERWEEKEND Selection Camp Football Alberta Combine January 11-13, 2019 Foote Field Dome, Edmonton

This camp is intended to begin the selection process for the creation of our Team Alberta U18, which will represent the province at the 2018 Football Canada Cup in Calgary next July, and our Team Alberta U17 which will represent the province at Pacific U17 Challenge in Hawaii next August as well as the main combine for Alberta athletes.

This event is only for players who are **17 years old or younger and born in the years of 2002 or 2003**. If you were not born in those years, please disregard this invitation and DO NOT CALL asking for an exemption as one will not be granted. If your birthdate is 2004 then you would be eligible for our Team Alberta U16 Program and should see your head coach about that invitation. You are one of over 400 athletes who are nominated by their coaches to come to SUPERWEEKEND.

After this camp, around 80-100 players will be selected to advance to the following final selection camp:

#### April 5-7, 2018 – Final Selection Camp McMahon Stadium, Calgary

The **Final Selection Camp** for **Team Alberta U18 and U17 in Calgary** will determine both rosters and both teams will get together in June in Red Deer for Mini-Camps (Tentatively June 14-16). The U18 Team will then report to Edmonton for the Team Alberta U18 Training Camp from July 4-6 and then progress to the Football Canada Cup from July 6-13 in Kingston, Ontario. The U17 Team will travel to Maui for the Pacific Challenge from August 4-13.

Please note that these are **full contact football camps**. It will feature on-field and off-field sessions. We are looking for athletes with a great skill set as well as great attitudes and character to move on to the next level.

Due to your nomination to this event you are eligible to participate in these camps, but more importantly whether you make it past the SUPERWEEKEND or not, you will be exposed directly to quality coaching that will include coaches from the University and Junior teams thus giving players who want to continue on past high school a chance to begin to explore the possibility of post-secondary football. It will also get your name of the Football Canada database for consideration in the future for international teams. Note that the only way to advance internationally for U20 and Senior Men's teams in the future is being active in the Provincial Team process now.

**In order to attend the camp you must register online** at <http://fc-alberta.goalline.ca/>
